More informations

**Catering**
The CityLAB offers no preparation of food or drinks. An independent delivery of catering / beverages is therefore possible.

**Staff**
We are willing to help with the organisation of the event, but do not provide any service staff.

**Entrance / Delivery access**
The main entrance has access via a wide staircase (3 steps) and a wheelchair ramp. Delivery by truck is possible. The width of the entrance door is: 2 x 100 cm.

**Parking**
A public parking lot is directly in front of the entrance.

**Guests amount**
Please note, that according to legal regulations, a maximum of 199 people may be on the premises at the same time.

**Accessibility**
Both, event room and conference room, as well as the toiletts can be reached via 8 steps (0.5 floor). There is no elevator.

**Heating and ventilation**
All our rooms are equipped with heating, but there is no air conditioning available.
